# Appointment Policy

Instruments, chairs and personnel are reserved exclusively for your appointment. Last-minute cancellations and no-shows are expensive to our patients and our practice. No-shows, cancellations day of, or appointments cancelled less than 2 business days in advance are considered failed appointments.

- We understand that extenuating circumstances occur, so the 1<sup>st</sup> failed dental appointment incurs a warning.
- After a failed appointment, a 50% copay deposit is required to reserve an appointment.
- After a 2<sup>nd</sup> failed appointment, a 100% copay deposit is required to reserve an appointment.
- After a 3<sup>rd</sup> failed appointment, will result in dismissal for our office

This charge is not a penalty. It is a portion of your copay charged at the time your appointment is scheduled. Your copay deposit will directly apply to your treatment at the time of your visit. Your copay deposit is not refundable. Should you fail your appointment, your copay will be forfeited in addition to a \$50 cancellation fee.

A 3<sup>rd</sup> failed appointment will result in dismissal from Nature's Way Dentistry. Our office is appointment-based and cannot provide this level of flexibility in our schedule. We will assist you in finding another dentist to accommodate your scheduling needs.

**Our appointment policy exists to keep costs down.** Nature's Way Dentistry is proud to offer the highest level of care, the highest quality materials and the best patient experience in the area. We are also proud to offer these services at a reasonable cost. Above all, failed appointments are expensive to our patients and our practice and we cannot accommodate failed appointments into our business model.

I, \_\_\_\_\_, agree to these terms.

# Financial Agreement

PATIENT PORTION IS DUE AND PAYABLE AT TIME OF SERVICE; YOU WILL BE REQUIRED TO PAY TODAY.

If you cannot pay for your appointment today, payment arrangements must be made before your scheduled appointment. **Payment options:** 1. Check 2. Credit Card 3. Payment Plans with Care Credit

**PATIENTS WITH INSURANCE:** As a courtesy we will do one eligibility check to see if you are covered. You have seven (7) days to provide us with the correct dental insurance information; otherwise we will bill you directly for the full balance of your appointment and the balance is your responsibility.

The PATIENT is responsible for the non-covered portion of procedures and/or deductibles at the time of the service. The quote for treatment cost provided to you is an estimate. **Treatment costs may be higher or lower than the estimate.** If the insurance company does not pay after 60 days, we will bill you directly for the full balance. After insurance has paid their portion, and there is any cost remaining, you will get a statement with the remaining balance and it is your responsibility to pay in the time stated on the statement.

If you have questions about what your insurance coverage we are happy to provide a pre-authorization for coverage, at your request. This is just an estimated quote of cost for treatment and is not a guarantee. Any other questions regarding coverage should be addressed to your insurance company.

- **Parents not accompanying their child** to an appointment must make **PRIOR** arrangements for payment
- **Parents accompanying their children** are financially responsible for payment.
- There is a \$30.00 processing charge for **non-sufficient funds** or returned checks.

Because instruments, chairs, and personnel are reserved exclusively for your appointment, there is a **\$50 CHARGE FOR CHANGED OR BROKEN HYGIENE AND RESTORATIVE APPOINTMENTS LESS THAN 2 BUSINESS DAYS IN ADVANCE OR LESS THAN 24 HOURS IN ADVANCE.**

**PATIENTS WILL BE CHARGED THE FULL AMOUNT FOR CROWN, ROOT CANAL AND 2 HOUR OR GREATER APPOINTMENTS CANCELLED LESS THAN 2 BUSINESS DAYS IN ADVANCE.**

## REFUND POLICY

No refunds will be granted for services or procedures already performed at this office. Patients may cancel treatment with no charge if the appointment is cancelled 2 or more business days before the natural teeth are prepared or altered. **After tooth preparation has occurred, patients are liable for the full cost of services if they choose to not complete treatment.**

I authorize my insurance benefits be paid directly to the physician, I understand that I am financially responsible for any balance. I also authorize Nature's Way Dentistry or my insurance company to release any information required to processes my claims.
